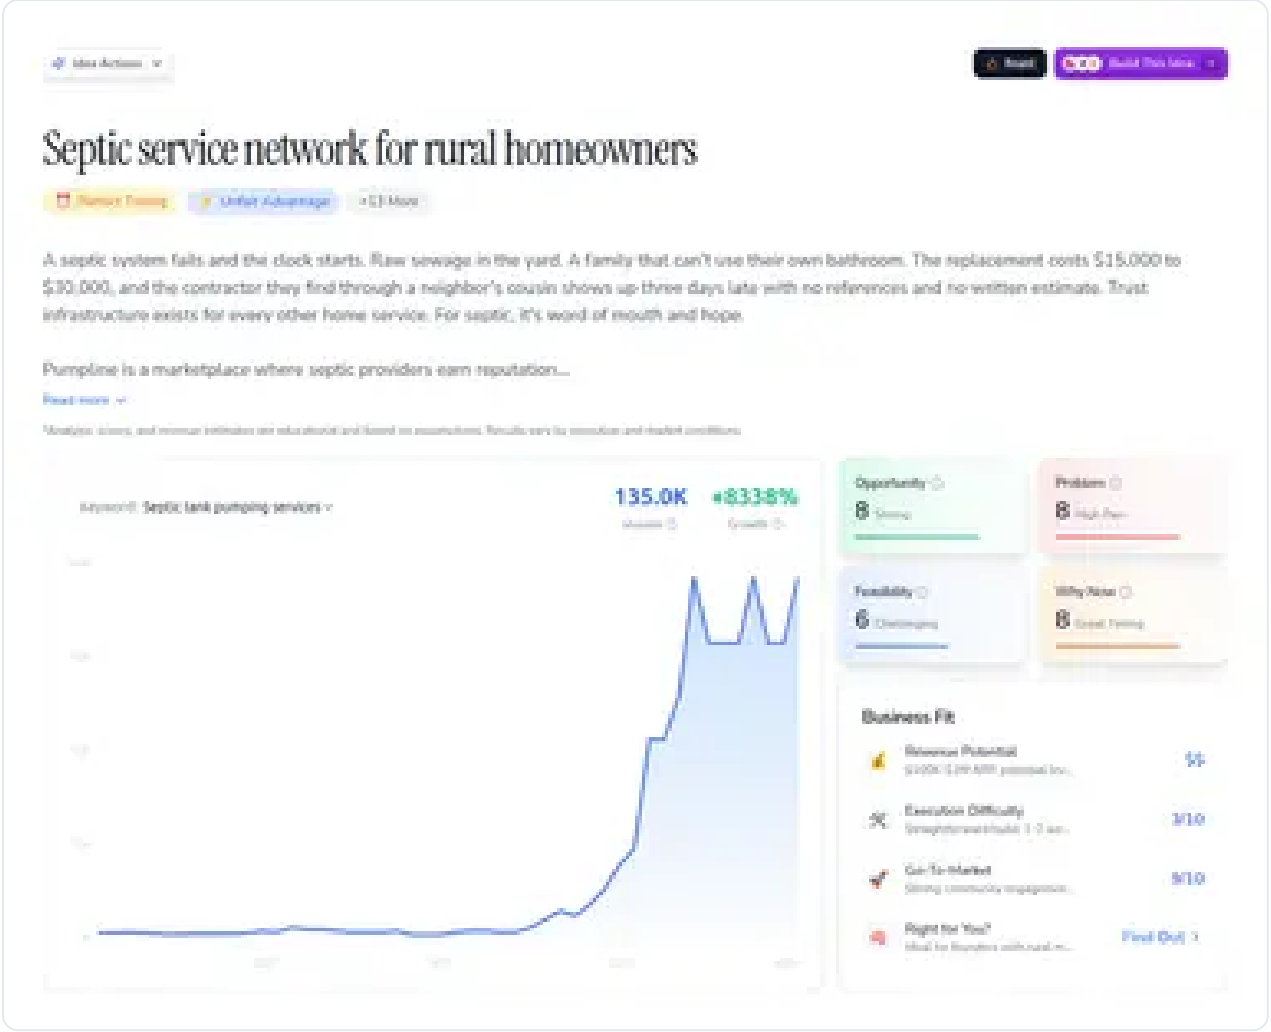
Flight compensation recovery agent for frequent flyers

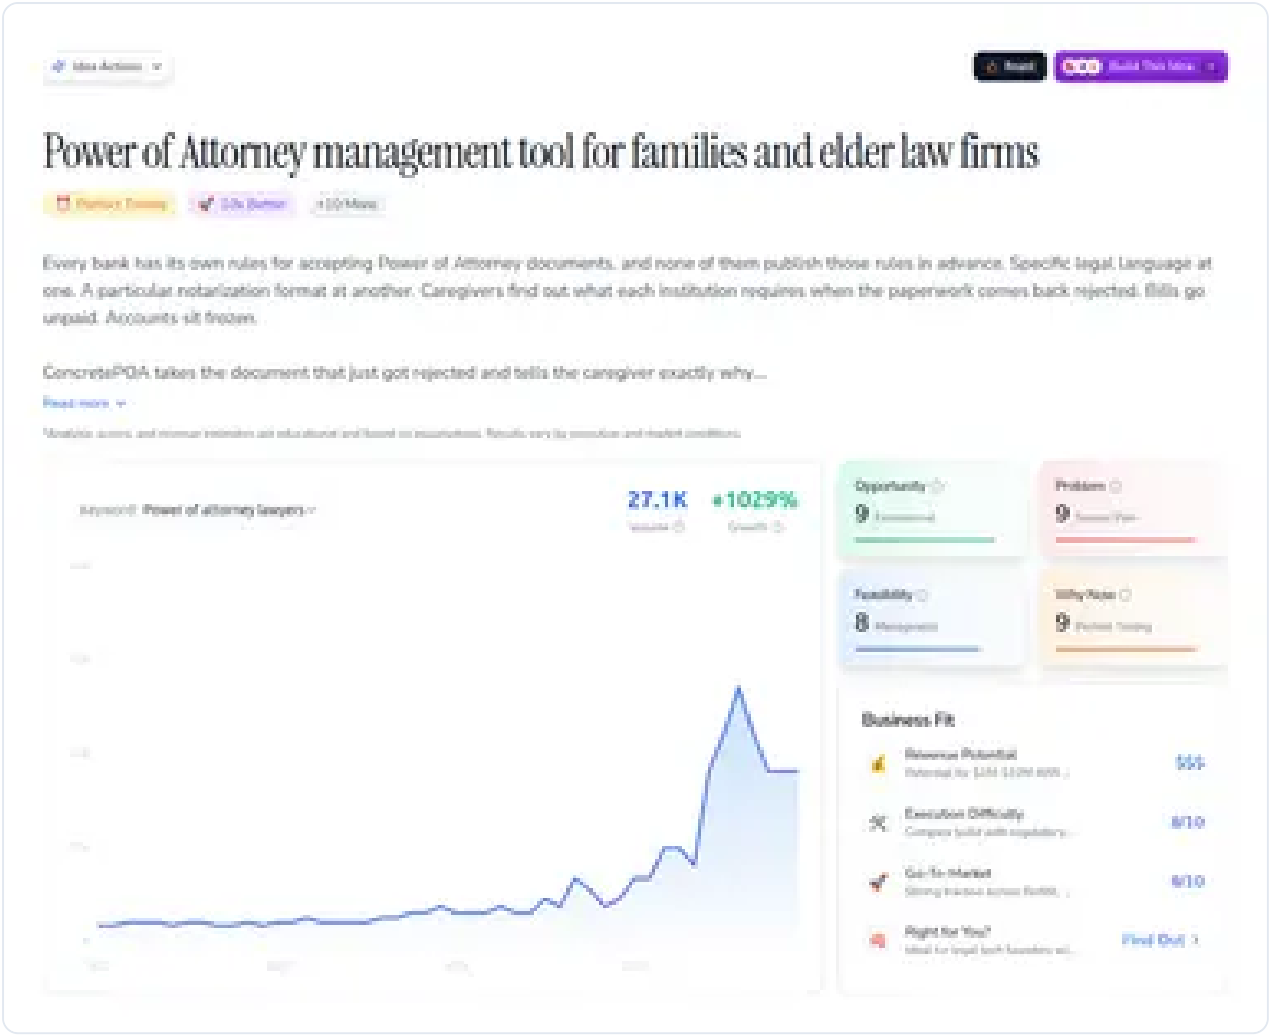
Airlines don't make it easy to collect what they owe. Regulations mandate compensation for qualifying delays. Airlines reject most first-attempt claims,...



March 13, 2026

Septic service network for rural homeowners

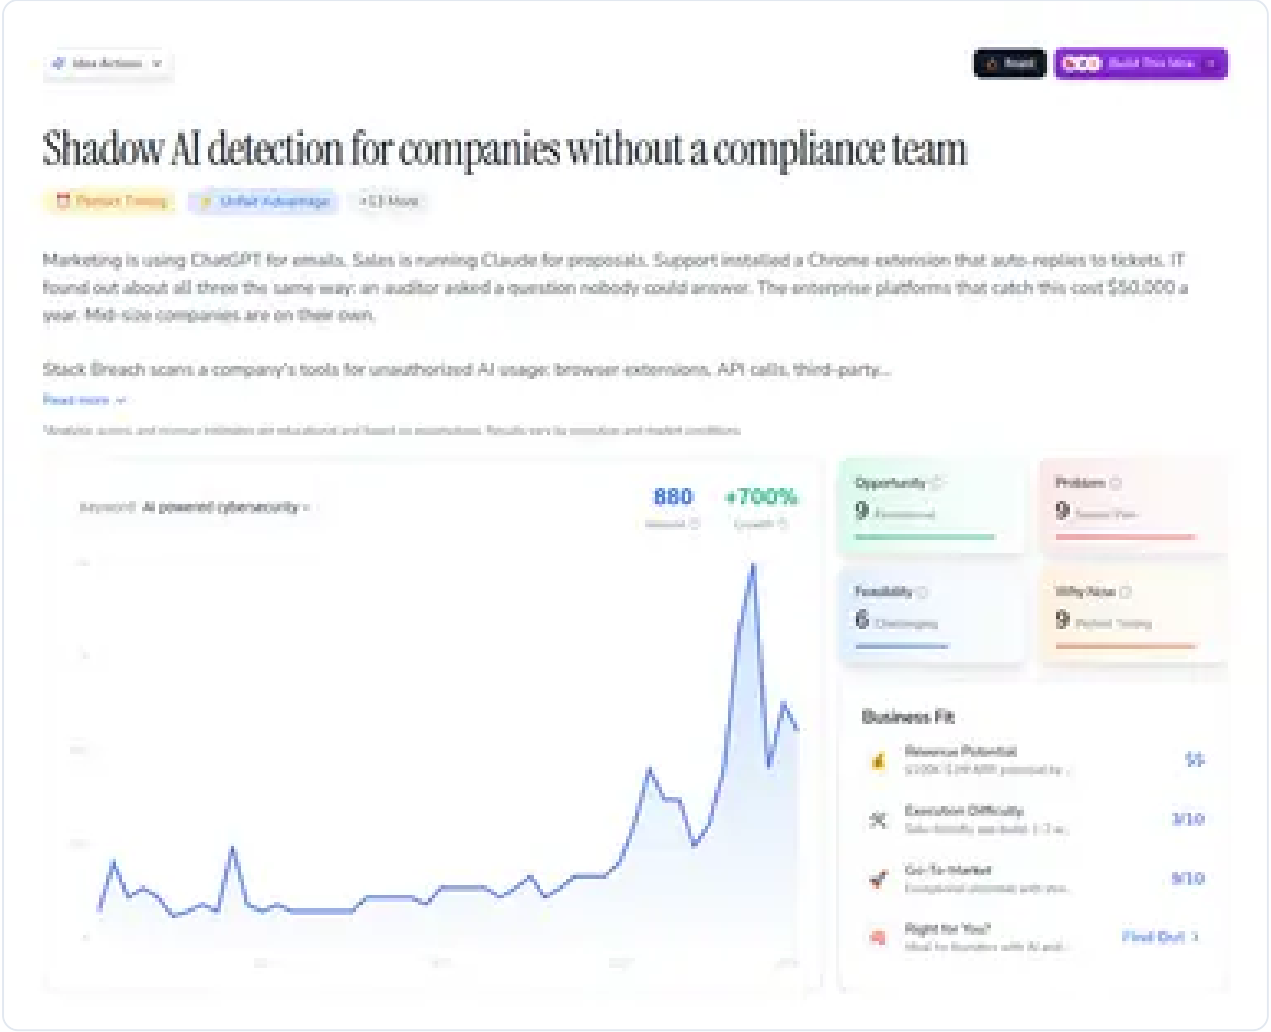
A septic system fails and the clock starts. Raw sewage in the yard. A family that can't use their own bathroom. The replacement costs $15,000 to $30,000, and th...



March 12, 2026

Power of Attorney management tool for families and elder law firms

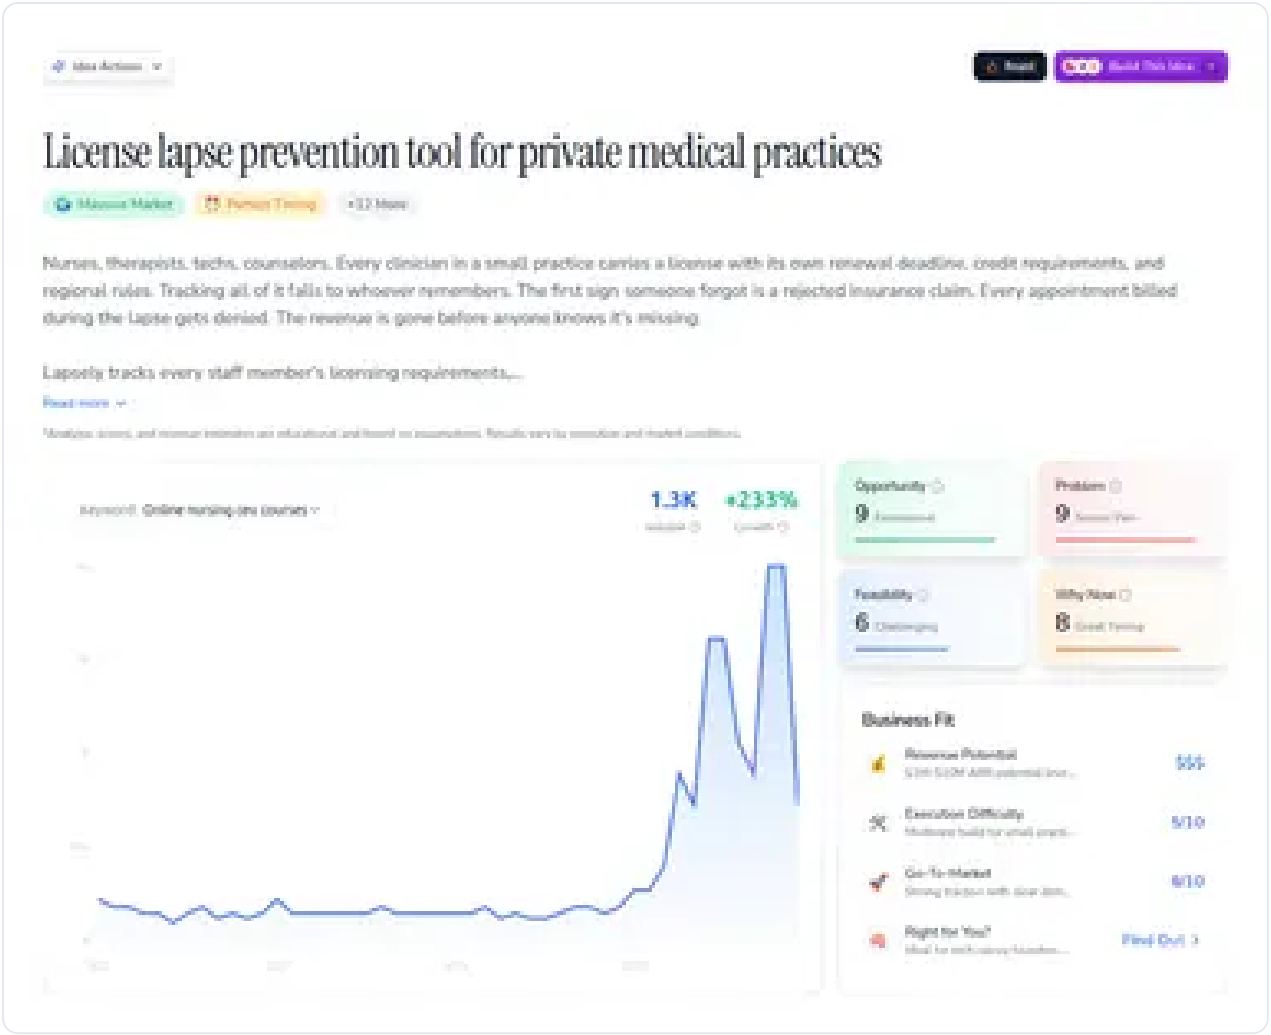
Every bank has its own rules for accepting Power of Attorney documents, and none of them publish those rules in advance. Specific legal language at one. A particula...



March 11, 2026

Shadow AI detection for companies without a compliance team

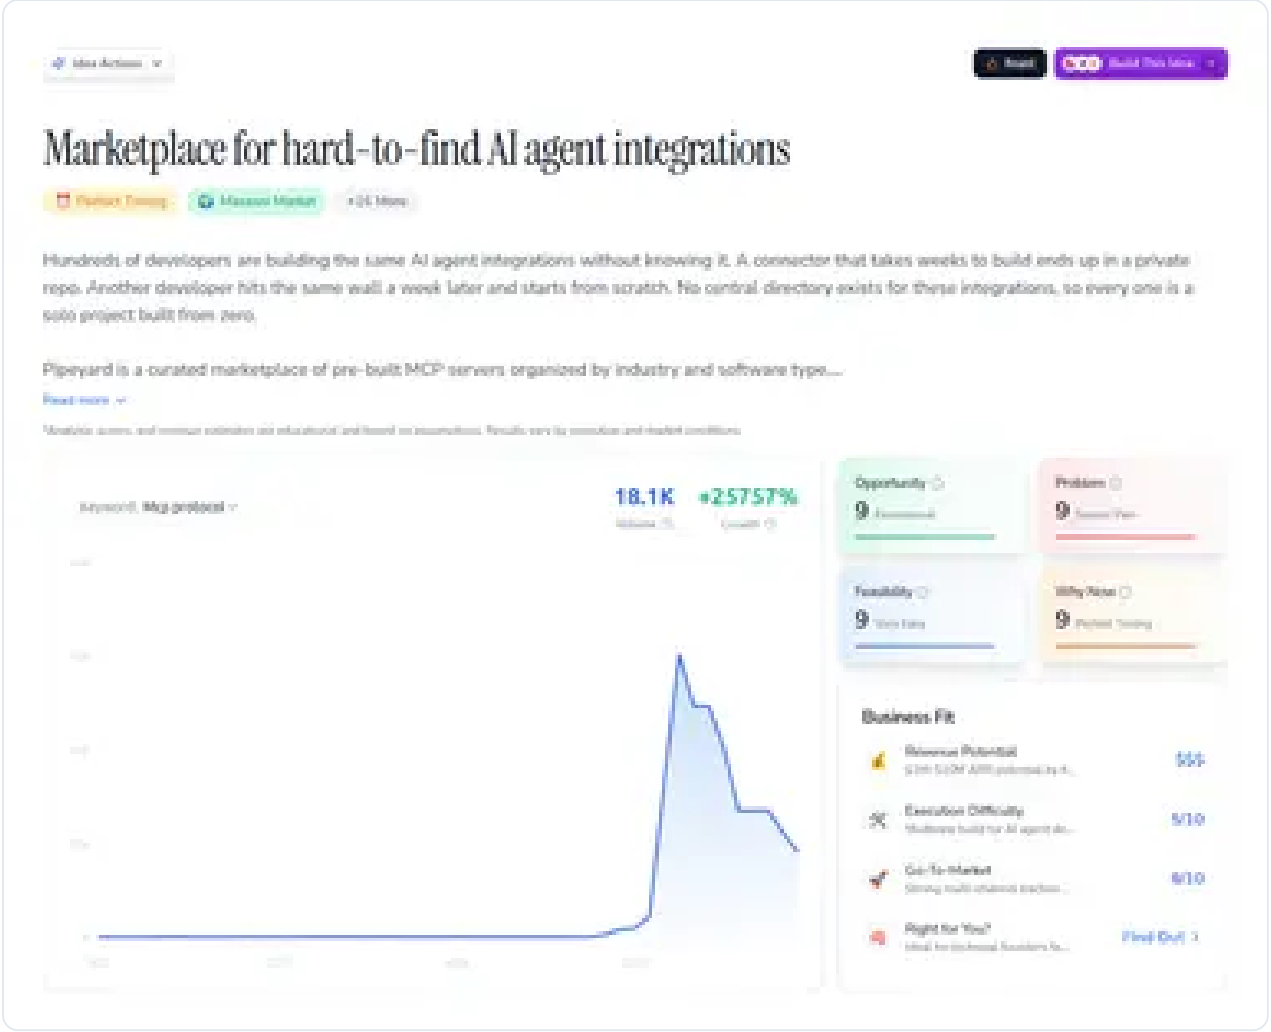
Marketing is using ChatGPT for emails. Sales is running Claude for proposals. Support installed a Chrome extension that auto-replies to tickets. IT found out...



March 10, 2026

License lapse prevention tool for private medical practices

Nurses, therapists, techs, counselors. Every clinician in a small practice carries a license with its own renewal deadline, credit requirements, and regional rules....



March 9, 2026

Marketplace for hard-to-find AI agent integrations

Hundreds of developers are building the same AI agent integrations without knowing it. A connector that takes weeks to build ends up in a private repo. Anoth...
